- Collected through our social media pages and other online interactions with you to assist in verifying your identity and account status. We may combine this online information with information collected from offline sources or information we already have
- For business purposes, including data analysis, audits, developing and improving products and services, enhancing the Site, identifying usage trends, and determining the effectiveness of promotional campaigns;
- For risk control, for fraud detection and prevention, to comply with laws and regulations, and to comply with other legal process and law enforcement requirements;

How Personal Information is Shared

Please see the [Capital Bank Notice of Privacy Policy](#) for information on how Personal Information may be shared and how you may be able to limit certain types of sharing.

Other Information We Collect Online

Other Information is any information other than Personal Information that does not reveal your specific identity or does not directly relate to an individual, such as browser information, information collected through cookies, pixel tags and other technologies, demographic information, other information provided by you such as your date of birth or household income, and aggregated and de-identified data.

Collection and Use of Other Information

We and our third-party service providers may collect and use Other Information in a variety of ways, including:

From your browser or device: Certain information is collected by most browsers and/or through your device, such as your IP address, device type, type of user interface (Flash, HTML, etc for dynamic display), and internet browser type and version. We use this information to ensure the Sites function properly, information is displayed to you properly, or for fraud detection and prevention, and for security purposes.

Using cookies: Cookies are pieces of information stored directly on the device you are using. Cookies we use do not contain or capture unencrypted Personal information. Cookies allow us to collect information such as browser type, time spent on the Site, pages visited, and your relationship with us. We may use this information for security purposes, to facilitate navigation, to display information more effectively, to personalize your experience while engaging with us, and to recognize your device to allow your use of our online products and services. We collect statistical information about the usage of the Site in order to continually improve the design and functionality, to monitor responses to our advertisements and content, to understand how account holders and visitors use the Site and assist us with resolving questions regarding the Site. We also utilize cookies for advertising purposes as detailed below in the **Advertising** section.

You can refuse to accept these cookies and most devices and browsers offer their own privacy settings for cookies. You will need to manage your cookie settings for each device and browser

you use. However, if you do not accept these cookies, you may experience some inconvenience in your use of the Site and some online products and services.

Other technologies including pixel tags, web beacons, and clear GIFs:

These may be used in connection with some Site pages, downloadable mobile applications to measure the effectiveness of our communications, the success of our marketing campaigns, to compile statistics about usage and response rates, to personalize/tailor your experience while engaging with us online and offline, for fraud detection and prevention, for security purposes, for advertising. More information regarding our use of other technologies is below in the **Advertising** section.

Flash Objects: For our pages running Flash content (demos and tutorials with moving content), we use Flash objects to determine your browser type for you to view the content. Deleting cookies does not delete Flash objects. If you choose to disable Flash objects from our site, then you may not be able to access and use parts of the Site or benefit from the information and services offered.

IP Address: Your IP Address is a number that is automatically assigned by your Internet Service Provider (ISP) to the device you are using. An IP Address is identified and logged automatically in our server log files whenever a user visits the Site, along with the time of the visit, and the page(s) visited. Collecting IP Addresses is standard practice on the internet and is done automatically by many web sites. We use IP Addresses for purposes such as calculating Site usage levels, helping diagnose server problems, to possibly personalize your experience while engaging with us online, for compliance and security purposes, for advertising, and for administering the Site. See the **Advertising** section below for more information.

Aggregated and De-identified Data: Aggregated and de-identified Data is data that we may create or compile from various sources, including but not limited to accounts and transactions. This information, which does not identify individual account holders, may be used for our business purposes, which may include offering products or services, research, marketing or analyzing market trends, and other purposes consistent with applicable laws.

Additional Information

Third party widgets – We may allow certain widgets (e.g., social share buttons) on our Sites that enable users to easily share information on another platform, such as a social media platform. The third parties that own these widgets may have access to information about your browsing on pages of our Sites where these widgets are placed. You may wish to review information at the third party site, such as social media platforms where you have an account, to determine how these third parties collect and treat such information. Also, see **Linking to Other Sites** and **Social Media Sites** below.

visit the individual sites and mobile apps for additional information on their data and privacy practices and opt out policies.

Online Behavioral Advertising on Third Party and Mobile Apps

Some of our tailored ads are online behavioral advertising and may be served using data collected by third party providers. Ads served on our behalf by these companies do not contain unencrypted Personal Information and we limit the use of information by companies that serve our ads. To learn more about this practice and your choices in connection with it, see the section **Advertising Choices** below.

Advertising Choices

You may set your choices for advertising in the following ways:

Online Behavioral Advertising: If you prefer we not use information based on online Site behavior to provide online and offline tailored content and advertising, you may opt out of online behavioral advertising.

Important Reminder

In order for online behavioral advertising opt outs from our Sites and on other sites to work on your device, your browser must be set to accept cookies. If you delete cookies, buy a new device, access our Site or other sites from a different device, login under a different screen name, or change web browsers, you will need to opt-out again. If your browser has scripting disabled, you do not need to opt out, as online behavioral advertising technology does not work when scripting is disabled. Please check your browser's security settings to validate whether scripting is active or disabled.

media pages, you are also subject to Capital Bank's Privacy Notices, Social Media User Terms, and Community Guidelines.

Security

To protect Personal Information from unauthorized access and use, we use security measures that comply with applicable federal and state laws. These measures may include device safeguards and secured files and buildings as well as oversight of our third party service providers to ensure information remains confidential and secure. Please visit <https://capitalbankmd.com/security-center/> for additional information.

Using Other Aggregation Websites

Other companies offer aggregation websites and services that allow you to consolidate your financial account information from different sources (such as your accounts with us or with other financial institutions) so that you can view all of your account information at one online location. To do this, an aggregation provider may request access to Personal Information, such as financial information, usernames and passwords. You should use caution and ensure that the aggregator company has appropriate policies and practices to protect the privacy and security of any information you provide or to which they are gaining access. We are not responsible for the use or disclosure of any Personal Information accessed by any company or person to whom you provide your Site username and password.

If you provide your Site username, password, or other information about your Capital Bank accounts to an aggregation website, we will consider that you have authorized all transactions or actions initiated by the aggregation website using the access information you provided, whether or not you were aware of a specific transaction or action. If you decide to revoke the authority you have given to an aggregation website, we strongly recommend that you change your password for the Site to ensure that the aggregation website cannot continue to access your account.

Keeping Information Accurate

It is very important you keep your account information accurate and up-to-date. If your account information is incomplete, inaccurate, or not current, please speak to a customer representative at a banking center, use the Contact Us option on our Site, or call or write to us at the telephone number or appropriate address for changes listed on your account statements or other account materials.

Protecting Children's Privacy Online

This Site is not directed to individuals under the age of thirteen (13), and we request that such persons not provide Personal Information through the Site. We do not knowingly collect information from children under thirteen (13) without parental consent. Visit the Federal Trade commission website for more information about the Children's Online Privacy Protection Act (COPPA).

Protecting Individual Health Information

Revision Date: January 22, 2018

To the extent that we receive, maintain, or process an individual's protected health information, Capital Bank, N.A. may disclose that information as authorized by and in accordance with applicable federal and/or state law.

Updates to This Privacy Notice

This Online Privacy Notice is subject to change. You should review it periodically. Whenever we make changes to the Online Privacy Notice, we revise the "Last Updated" date at the top of this Notice. Any changes to this Notice will become effective when we post the revised Notice on the Site. Your use of the Site following such changes means that you accept the revised Notice.
