SBA 7(a) Loan Program	SBA 504 Loan Program
The 7(a) loan program is the primary program for providing financial assistance to small businesses. The terms and conditions, like the guaranty percentage and loan amount, may vary depending on each individual transaction. Loan types include standard 7(a), SBA Express, Export Express and CAPLines.	Designed to help small businesses with long-term financing for capital assets like real estate and major equipment. The intent is to provide financing for investments in facilities, expansion, and job creation.
